Built on the banks of the Khwai River and nestled amongst a forest of sycamore and leadwood trees, Khwai Bush Camp has a family friendly philosophy that welcomes children of all ages.

Khwai Bush Camp consists of 4 standard and 2 family chalets, all en-suite. There are battery charging facilities in each guest room as well as fans. Here you will enjoy spacious and comfortable thatched accommodation with views over the permanent water source and beyond into the Moremi Game Reserve.

From the sanctuary of a cool, thatched interior and a veranda that overlooks the famed Moremi Game Reserves, one of the richest game viewing areas in Botswana, you are able to watch the magic of Africa unfold. The area offers varied ecosystems – from enchanted forests and undulating grasslands to lush floodplains and meandering lagoons – this is one of the most consistent areas for wildlife encounters year-round.

Activities include guided walking safaris, bird watching, river activities, day and night game drives spotting Africa’s iconic wildlife species – lion, cheetah, leopard, wild dog, elephant, buffalo, hippo and giraffe.
Children of all ages are welcome at Khwai Bush Camp, however walking safaris and Mokoros are restricted to children over the age of 16.
