

# LINYANTI BUSH CAMP

Linyanti Wildlife Reserve, Botswana

Open year round

Linyanti Bush Camp an intimate tented camp situated on the banks of the Linyanti Marsh, is the perfect place to explore the African wilderness. As the only source of water in the dry months, the Linyanti Marsh is one of the most sought-after destinations in Northern Botswana, boasting a great diversity of game and a peaceful atmosphere. Linyanti Bush Camp offers a personalized safari experience on a private concession away from the crowded tourist routes.

Six spacious tents incorporate en suite bathrooms and private decking where you can sit and gaze out over the river and marshes beyond. The elevated communal area offers a cosy lounge, library bar and dining area. The plunge pool offers a wonderful place to enjoy the unique Linyanti landscape.

A wide range of activities are on offer including game drives, night drives, walking safaris, mokoros and a seasonal 30-minute scenic helicopter flight between April and November, allowing guests to experience this pristine area from the air. The area offers spectacular birding all year round and is best known for its large herds of elephants that move down the Linyanti River at the start of the winter months and only move back inland once the main rains arrive. Lion, Buffalo, Sable, Roan, Leopard and Wild Dog are also frequent visitors to Linyanti as is the elusive Sitatunga Antelope, Red Lechwe, Hippo and Crocodile.
