

JUNE 2018

Khwai Leadwood Under Thatch Becomes Khwai Bush Camp

For the past 12 months, we have added a new word to our vocabulary Iktsuarpok (n): When visitors are due to arrive, a fidgety feeling sprouts up. We might keep glancing out of the window, or pause mid-sentence, thinking we've heard the sound of a car.

It's been a year of Iktsuapok for us, and finally, we are pleased that, together with our partners in Botswana, we have successfully been awarded the permits and licenses that allow us to open the doors of our new camp in the Khwai/Moremi Region. Originally the camp was going to be named Khwai Leadwood Under Thatch, but the lodge's authorized new name will now become [Khwai Bush Camp](#).

It's been a year of Iktsuapok for us, and finally, we are pleased that, together with our partners in Botswana, we have successfully been awarded the permits and licenses that allow us to open the doors of our new camp in the Khwai/Moremi Region. Originally the camp was going to be named Khwai Leadwood Under Thatch, but the lodge's authorized new name will now become [Khwai Bush Camp](#).

We are thrilled to announce that we are now open for bookings starting from the 1st of July, and look forward to welcoming guests to our new camp. Khwai Bush Camp will be common rated with Khwai Tented Camp, please log into the [Agents Boma](#) for your rates and contact your dedicated sales consultant for your package rates. We have [availability](#) for the busy winter months, when game viewing is at its peak. Book now for a safari in one of the most sought-after safari destinations in Botswana.

African Bush Camps is a private, owner-run African-based safari company that speaks of the art of service and offers you an authentic safari experience in the untamed African wilderness. Focused on your experience as our guest, our professional guides and naturalist enthusiasts will be at hand to ensure your journey with African Bush Camps is the very best safari experience available.

African Bush Camps seeks to promote and influence travel to Africa on a global scale while operating with an environmentally sustainable footprint and an ethos that strives to empower local communities in the areas in which we operate, as well maintaining a strong focus on conservation.
