

Zambezi Expeditions

MANA POOLS NATIONAL PARK, ZIMBABWE

OPEN BETWEEN APRIL 01 – NOVEMBER 30

AN INTIMATE EXPERIENCE OVERLOOKING THE MAJESTIC ZAMBEZI RIVER

Zambezi Expeditions, a semi-mobile camp situated at the Nkupi camping site, offers one of the best ways to explore and experience Mana Pools National Park on the banks of the mighty Zambezi River. The legendary Mana Pools is known for its wildlife-rich flood plains and magnificent views of the Zambezi River. The river boasts some of Africa's most amazing adventure canoeing safaris and sport fishing, creating the perfect combination of beauty, adventure and fun.

Six luxury mini Meru-style tents are set along the riverside on the open flood plains, where it is not uncommon to have wildlife wandering through camp. The tents have en suite bathroom facilities with hot water safari-style rain showers.

With unique access to the Zambezi River, days are filled with adventurous canoeing safaris, tracking game along the shorelines by foot, and fishing for the iconic tiger fish.

An absolute must, however, is a game drive in an open 4 x 4 along the flood plains and into the heart of the Mana Pools UNESCO World Heritage Site.

At Zambezi Expeditions, you will connect with nature in a deep and meaningful way.

Why Zambezi Expeditions

- Charming and authentic old-school safari
- Located on the banks of the Zambezi River
