New Beginnings at Bumi Hills Safari Lodge

Recognised as one of the most iconic safari lodges in Zimbabwe, we are thrilled to announce the re-opening of Bumi Hills Safari Lodge under the African Bush Camps banner.

Bumi Hills, widely revered as having the best panoramic view of Lake Kariba, has been completely refurbished and upgraded to flaunt the breath-taking vistas of the blue waters of the lake.

Bumi Hills Safari Lodge will welcome guests from December 2017. The spectacular views and unsurpassed comfort and luxury on the shores of Lake Kariba will enchant visitors. 10 Lakeview rooms and 2 premium suites, furnished and styled with contemporary minimalism and African fusion, overlook the endless blue waters of the Lake and the game-rich shoreline below. The main area which surrounds the iconic infinity pool is designed to give the feeling of a beach retreat that combines serenity with style. The bar and dining deck, situated on a ridge below the pool, offer an uninterrupted view of paradise beyond and the changing pink-to-red-to-orange skies and sunsets that Lake Kariba is famous for. The spa and gym at the lodge provide a place for guests to relax and rejuvenate, where safari-goers can unwind.

Bumi Hills Safari Lodge offers guests a multitude of ways to explore the unique ecosystem of Lake Kariba. From game drives and boating safaris; from adrenalin-fuelled tiger fishing to walking safaris in search of fossilized dinosaur footprints; and from sunset cruises to experiencing the rich cultural heritage of the custodians of the land, the Tonga tribe, during a visit to a nearby village, Bumi Hills is the perfect place to connect to Africa in all her glory.

For travellers in search of luxury in an unspoilt location, unique wildlife encounters, thirst for adventure and a Safari rich with African wildlife and culture, Bumi Hills Safari Lodge is the ideal destination.
