More Than Just a Traditional Safari

Built on the shores of a great inland sea; nested in mountains, guarded by enormous reserves of game and fringed by green islands and petrified trees, Bumi Hills Safari Lodge is the perfect pit-stop on a safari circuit- a place that offers more than just a standard safari.

We believe that there is much more to an African safari than being driven around in a vehicle while passively viewing animals. At Bumi Hills we combine unparalleled hospitality, expert guides and a host of unique adventures that transform a standard safari into an extraordinary one. Bumi Hills offers a myriad of ways to spend your days that includes more than your typical safari.

Explore the world-famous Lake Kariba on a private boat, cruising from bay to bay and animal viewing from the water. Fishing enthusiasts keen to reel in a tiger, one of Africa's most flamboyant fighting game fish, can cast a line with one of our expert guides. Or try for a bream, which the camp chef will fry up for sundowner snacks- a fresh and tasty adventure. For those wishing to step back in time to when dinosaurs roamed the earth, a walking quest in search of the fossilized remains of *Vulcanodon karibaensis*, a four-legged, ground-dwelling herbivore that lived over 150 million years ago, is a fascinating way to spend the day. For photography enthusiasts, the dramatic skies and the magical pink-to-red-to-golden sunsets that Lake Kariba is famous for, provide the perfect backdrop for stunning photographic opportunities. For indecisive travellers who cannot decide between the bush and the beach, Bumi Hills has both! Spend a day on the shores of the great freshwater sea of Lake Kariba, lazing in the sand with a beach picnic, while gentle elephants amble past in search of a drink.

Once the sun goes down, a bonfire down by the water provides a place for reflection of the days' adventures. The star gazers among us will delight in the clear skies and endless views of milky way, which is brought to life by the Swarovski telescope and our professional guides with a special interest in stars and astrology, who interpret the night skies. For those in search of a bush break and wild indulgence, the spa at Bumi Hills offers a smorgasbord of authentic African spa treatments.

Bumi Hills Safari Lodge is the perfect place to unwind and reenergize in the wilds of Zimbabwe. Here, we combine the ultimate safari experience with an expert guide and unique activities, creating the complete journey, where experiences, knowledge and passions are shared, and an ordinary safari is transformed into an extraordinary one.

African Bush Camps is a private, owner-run African-based safari company that speaks of the art of service and offers you an authentic safari experience in the untamed African wilderness. Focused on your experience as our guest, our professional guides and naturalist enthusiasts will be at hand to ensure your journey with African Bush Camps is the very best safari experience available. African Bush Camps seeks to promote and influence travel to Africa on a global scale while operating with an environmentally sustainable footprint and an ethos that strives to empower local communities in the areas in which we operate, as well maintaining a strong focus on conservation.
