MATOBO HILLS, ZIMBABWE

## A PRIVATE EXCLUSIVE-USE HOUSE IN MATOBO HILLS

Situated in the heart of the Matobo Hills, just outside the boundary of the national park, lies Khayelitshe House. Enclosed by the iconic balancing rocks and surrounded by a natural amphitheatre of massive boulders, Khayelitshe House got its name from the Ndebele words 'Ekhaya' and 'Litshe' - Home in the Rocks. Khayelitshe House's charm comes from its simplicity and organic blueprint. Drawing inspiration from travels throughout Africa, the eclectic design brings tranquillity and energy. This is a home that is completely off-grid, one that inspires peacefulness and being at one with nature.

Fully serviced and consisting of four en-suite luxury bedrooms with incredible views from every window, the house inspires a feeling of remoteness that is hard to capture. The private land around Khayelitshe House covers 1200 acres of breathtaking wilderness, making it a beautiful escape from everyday life.

Enabled by a bespoke experience, this private home allows guests to direct their holiday activities. There is a host that will coordinate their activities, and the experience is truly a flexible one. Guests can spend their days exploring the magic of the Matobo landscapes on walks, hikes or bikes and discover this ancient land that is steeped in history and mystery.
