

# Khwai Lediba

KHWAI COMMUNITY CONCESSION, BOTSWANA

## AN AUTHENTIC BUSH EXPERIENCE AND SUSTAINABLE COMMUNITY-FOCUSED SAFARI

Located along the banks of the Khwai River in the Khwai Concession of Botswana, Khwai Lediba accommodates up to sixteen guests and features environmentally friendly luxury tented suites equipped with modern furnishings and amenities. Each of the six luxury tented suites and one family tented suite has an en suite bathroom with indoor and outdoor showers, a private deck, luxurious bedding, and more.

The main area includes a pool, dining area with an open kitchen, and bar with a sunken lounge. Meals, cocktails, and sparkling wine will be served indoors or al fresco on a deck surrounded by sycamore and leadwood trees with stunning views across the river.

Khwai Lediba is situated near the Moremi National Park and offers guests a front-row seat to the wildlife action of the oldest protected section of the Okavango Delta, known for its diverse wildlife population, including lions, leopards, elephants, giraffes, and more.

Activities include morning, afternoon, and night game drives, as well as walking and mokoro safaris (depending on water levels). The Experience also offers the opportunity to visit the nearby Khwai village preschool as part of the African Bush Camps Foundation's community empowerment projects.
